A Tribute to Haji Ajmal Ali

Haji Ajmal Ali, the Philanthropist walked into the shores of eternal glory on 17th February, 2009. The renowned business icon is also known as the 'Charity King'. His heart always cried for the poor and the needy and always wanted to make his service available to the society in which he lived. To instill idealism in the minds of the young generation, education is important and he rightly understood that. He said that education can change the individual and when an individual is transformed, the society is transformed and towards this initiative, he left no stone unturned. Growth and change are signs of life. It is because of his dreams, values and vision, education in this region has grown from small humble beginnings to its present stature and is throbbing with life. His main objective was to create a need for education in this slighted region of the country to achieve a healthy and harmonious blending of mind and soul.
